AUTUMN'S RICHNESS is yesterday's splendor, winter's
harshness is the battle of today, spring's hope holds the promise
for tomorrow. Out of the past the present has been distilled,
today encompasses the future. The nation has learned
the preparation. The legacy our time is to this future
and the time that we dedicate our lives.

. . . the dignity of majestic white pillars mark the Maeser building, home of school administration . . . the cloistered hazz of the ivy-hung Heber J. Grant library, retreat of the student . . . and below the old Y bell crowns the tradition-steeped Education building.

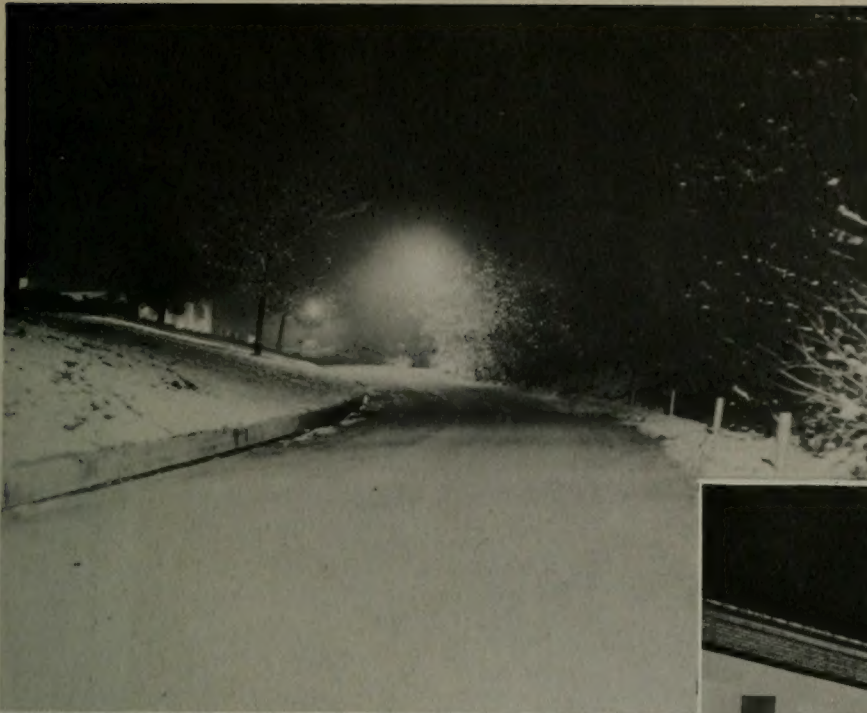

. . . the classic modern Smith building, pride of the campus, stands framed by the green of a weeping birch, backed by the old Y mountain to the east. To the left a student rests on the platform south of the Smith building at the head of the fourth east steps, gazing out across the panorama of all that is south Utah valley . . . right . . . there's a shady lane just south of the Grant library where tired scholars can stroll, birds can sing, and the air is filled with the fresh smell of the new green foliage in the spring.

. . . at fifth north and university avenue the B. Y. U. campus started . . . through the historic "gateway to the academy" . . . then the school expanded into a university and added a new campus and more buildings like the Brimhall, below, home of the pre-med students, budding journalists, and mechanical drawing students.

... in January and February the campus becomes a winter wonderland of snow and soft lights and night, seen from the bend in the old upper campus road ... in the daytime the snow softens the harsh lines of geometrical buildings like the education below ... and to the right the Smith — again at night, again in the snow.

S E

SENIORS took a last look at the Y Commencement Week with the annual senior trek . . . attired in cap and gown they moved from the modern Smith building through the cloistered halls of the Library and Maeser . . . Lover's Lane and the creek that winds around the bend brought back fond memories and then down through the ivy-clung, tradition-hallowed lower campus — College Hall, the Education building . . . and finally the old Y bell peered out a farewell as seniors performed the age-old ringing rites . . . the mellowed notes seemed to say "goodbye to college joys" . . . Dean Carl F. Eyring starts senior Prexy Walt Wiest and Secretary Edythe Bright on the trek . . . through the library and into the Maeser . . . in through the Maeser pillars . . . and into the bell tower to ring the 'Old Y Bell.'

visions

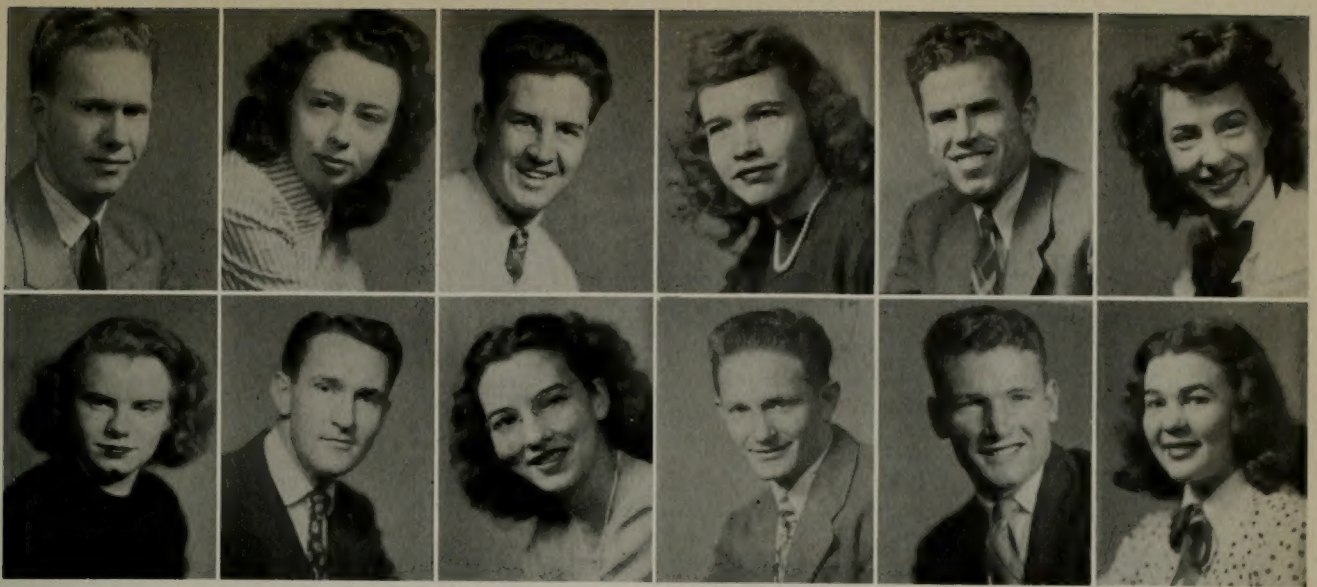

GARY WHITING . . . swash-buckling junior president . . . elicits a hearty "scrud" when aggravated . . . affiliates with Brigadier . . . friendly, freckled leader . . . a sports man, especially football.

With power, speed, and deception, Lyle Koller, the Cougar's brilliant star, drives deep into Utah State's territory. The A. C. defensive pictured includes George Nelson (44), John Worley (11) and Moroni Schwab (42).

Mike Mills and Gayle Holt combine to bat down Frank Williams of State in a wild scramble for a fumbled ball.

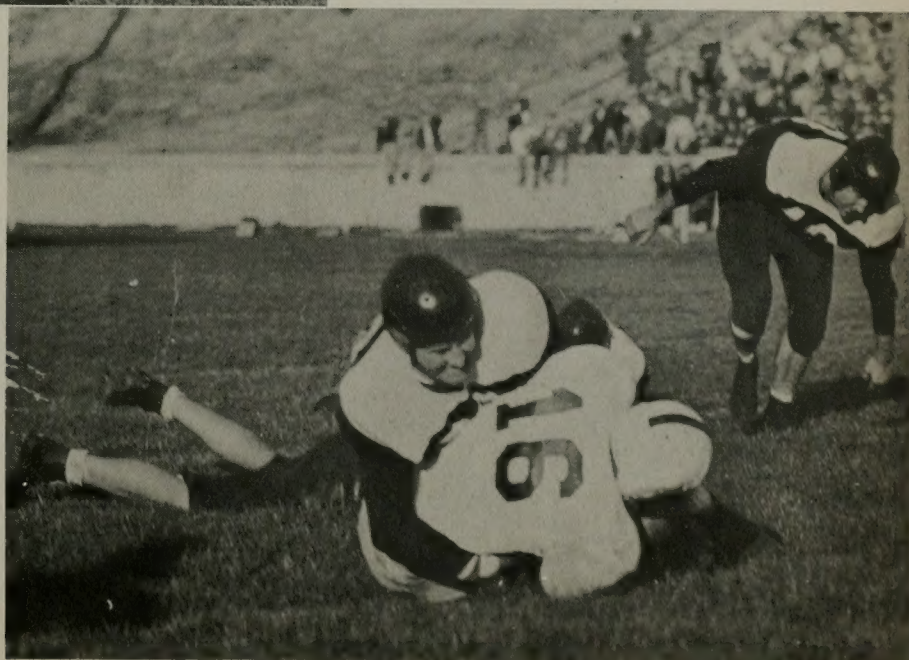

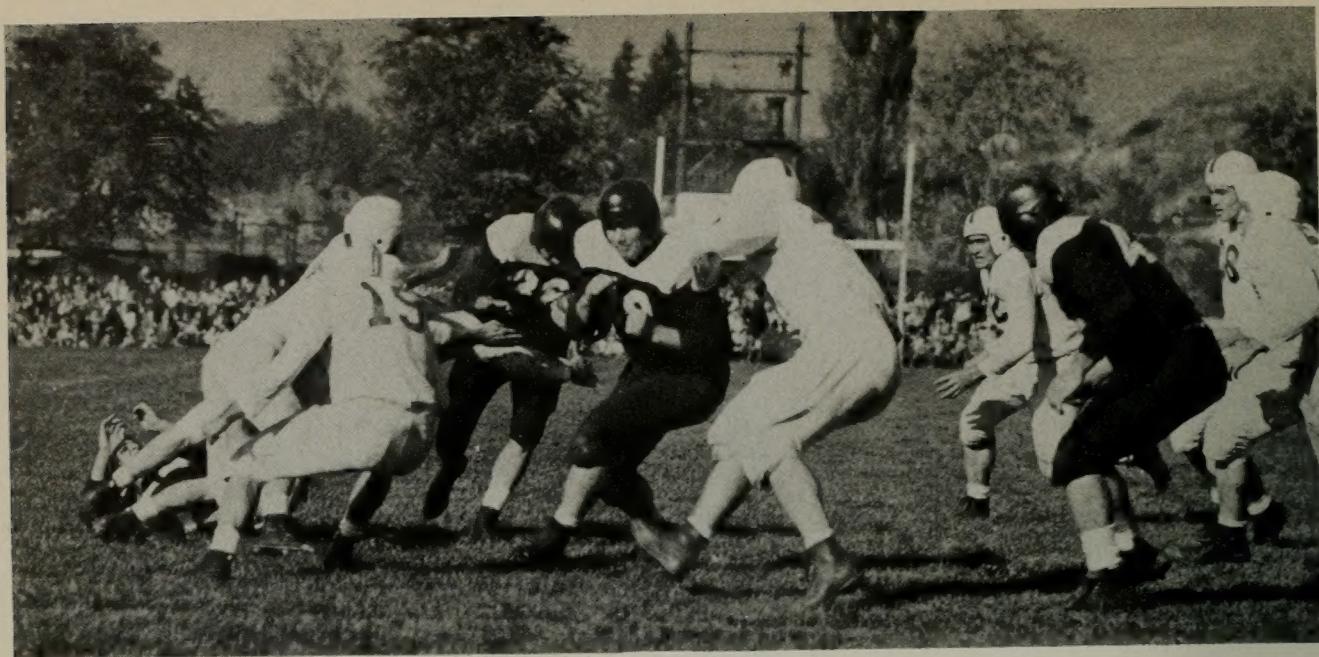

A Utah Man grabs Lyle Koller, who just received a pass from the Cougar's great Rex Olson in the terrific night game. Scotty Deeds, speedy "Y" back and Utah's All-American candidate Frankie Nelson close in for the assist.

..BYU's Don Bushore is finally hauled down by San Jose's Bill Parton (20) and Jim Jackson, the sparton's passer-delux quarterback.

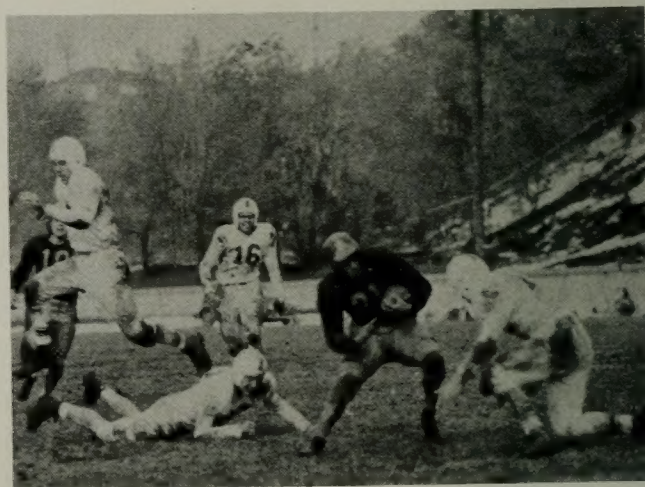

Glen Oliverson (16) is dropped by George Nelson of State. Rex Olson's mighty eye found the way for another stylish pass-completion.

Tony Sutich is Utah State's ball-carrier, with Ted Heath as interference. They will be smeared by "many" Cougar warriors.

The elusive back, Eddie Hanna (21), sidesteps the "Y" secondary in the Colorado A. and M. game.

Bouncing back from a rather dismal pre-season record of losses, the 1948 edition of the BYU Cougars knocked the dope out of the bucket and swept the birds off the rail by copping the Skyline Six basketball championship. Under the tutelage of Floyd Millet, the Cats knocked off favored Denver in the opening game, sparked by Joe Nelson's record-breaking 37-point performance. The following night the Y Men journeyed to the lair of the Redskins and scalped the '47 Invitational champs, the first of two such wins.

Suffering their first conference defeat at the hands of the Denver Pioneers, the Millet-men roared through league opponents for successive wins over Colorado A & M, Wyoming, USAC, and then repeated victories over the A & M and the Cowboys, but lost a close finale to the Aggies from Logan.

After the close of the season, the Cougars traveled back to Kansas City to participate in the NAIB tourney. Winning their first game, they lost the second to the uncanny shooting of Indiana State.

Losing only Brady Walker and Evan Neilson by graduation, the Y Cougars can look forward to an even better season in the 1948-49 campaign.

FRESHMAN BASKETBALL . . . Back Row: Coach Stan Watts, Omar Osterhues, Dick Craig, Roland Minson, Ken Durrant, Hershel Pederson, Dick Jones, Russell Hillman. Front Row: Dean Van Noy, Willard Carroll, Stan Cole, Bill Higgins, Vern Watcott, Ariel Ricks, Manager Bob Dimick.

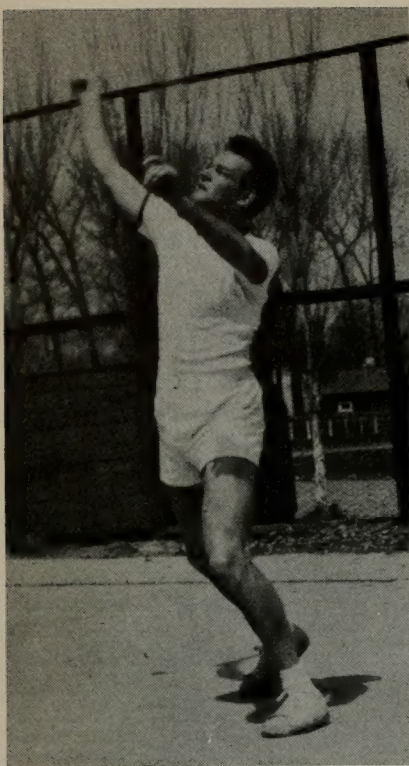

BOXING AND WRESTLING . . . Shown on the left are two grunt-and-groan experts fighting it out for top honors in the intra-mural tournament. Below, Don Bushore parries a blow and gets set to throw one of his own in the same tournament.

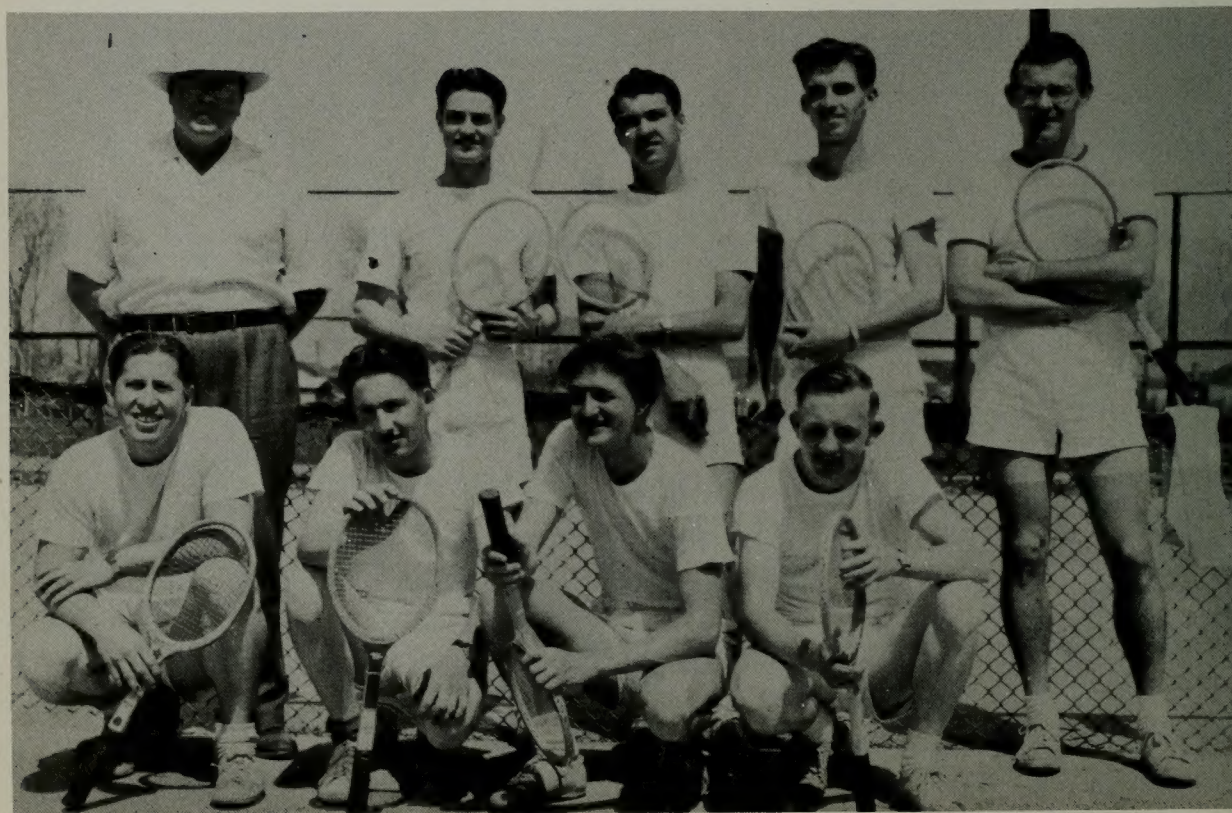

THE GOLF TEAM . . . front row, left to right: Lynn Bell, Eugene Harris, Walter Zabriskie, Bill Geertsen, Jim Green. Back Row: Buck Dixon, Bob Bohnet, Barney Clark, John Wanger, Keith Deeds. Losing their first match to the Utah divoteers, the Buck Dixon coached golf team finished their season in a "blaze of the well known glory."

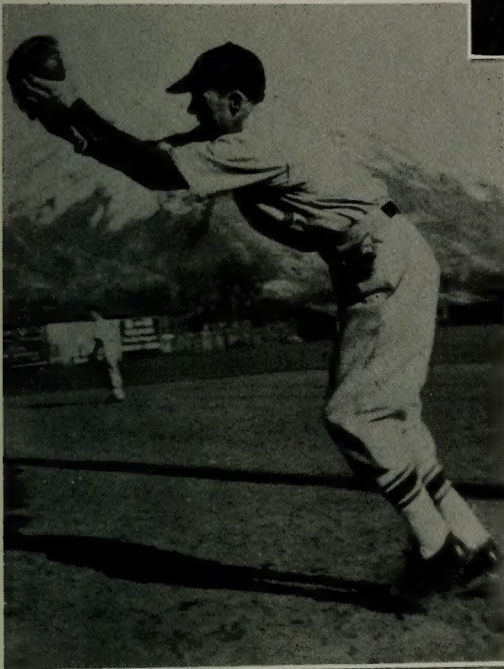

To the left, Grant Hickman gets set to blast a shot across to his opponents' court. In doubles play, below, Jack Thurgood has just backhanded a soft lob over the net while Lee Knell backs him up.

THE TENNIS TEAM below is composed of Max Dicks, Richard Ashby, Ralph Larson, Bob Calton, Buck Dixon (coach), Jack Thurgood, Ira Todd, Lee Knell, Grant Hickman.

Shown warming up in pre-game practice are a trio of Cougar hurlers from Stan Watts' mound staff. Below, Verl Sudweeks, Cat first baseman, takes a throw ahead of a Utah runner for the out.

For the first time in 25 years, the three Utah colleges fielded teams in baseball. Starting the season under Stan Watts, the Cougar diamond-dusters presented a squad well-rounded in every department, and copped their first game from the Ute Redskins, 11-10, in 11 innings.

With their sights on the Rocky Mountain championship and a possible berth in the Western NCAA play-offs, the Blue and White were led by the siege guns of Lyle Koler, Ted Thiel, and Rex Olsen. Also contributing heavily to the hits-and-runs department were Verl Sudweeks, Glenn Oliverson, Randy Clark, Don Bushore, Garth Kump, Ken Leth, and Glenn Clark. Putting the silencer on opponents' bats with some excellent pitching were George Sorenson, Wayne Graser, and Nelson Spafford.

THE BASEBALL TEAM . . . Front Row, left to right: Stan Watts, Verl C. Sudweeks, Rex Olsen, George W. Sorenson, Don Bushore, Lyle Koller, Wayne Graser, Randy Clark, Glen Oliverson. Second Row: Garth Berguson, Jay Peterson, Nelson W. Spafford, DeRay Fullmer, Matthew K. Bezzant, Lynn Powell, Ted Thiel, Bob Beckstead, Ken Leth, Max Nelson, Garth Kump, Dave Wiser, Glen Clark, Charles Craven, Gorden Alpanalp, Conrad Judd.

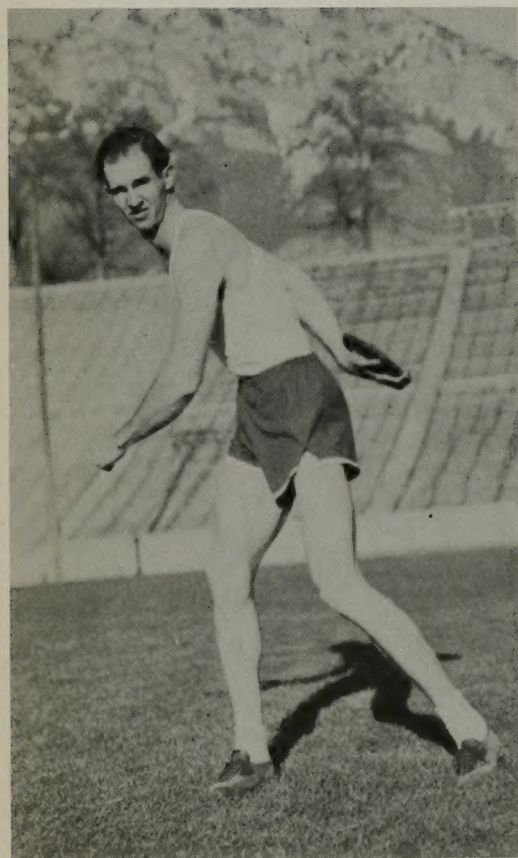

On their way around the quarter-mile cinder path, a quartet of Cat distance runners, paced by Clarence Robison, warm up for a dual meet with the Ute Redskins.

After two years of varsity competition, "Robey" turned out to be the top distance man in the intermountain west.

Coming into the stretch, the Cougar's star miler is shown as he sprints for the tape. Robison is rated as the best Olympic bet from the Skyline Six.

Caught in the camera's lens shortly before he sets sail with the discus is Brady Walker, one of the best weight men in the conference. Back for his fifth and last season, Big Brady really came through when the points were needed for the Millet-men.

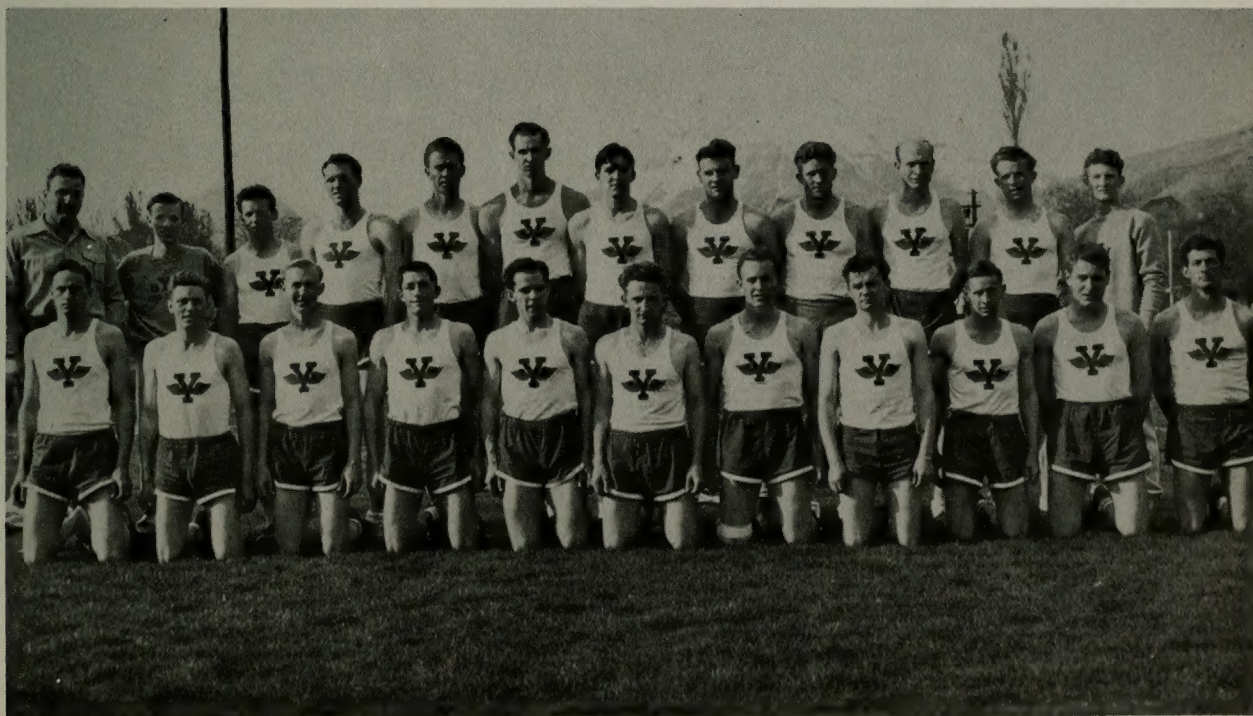

To the right, timber-topping Joe Nelson skims the last hurdle on his way to the finish line. Together with Phil Nelson and Lloyd Page, Joe helped to give the Cougar trackmen the strongest hurdlers in the conference.

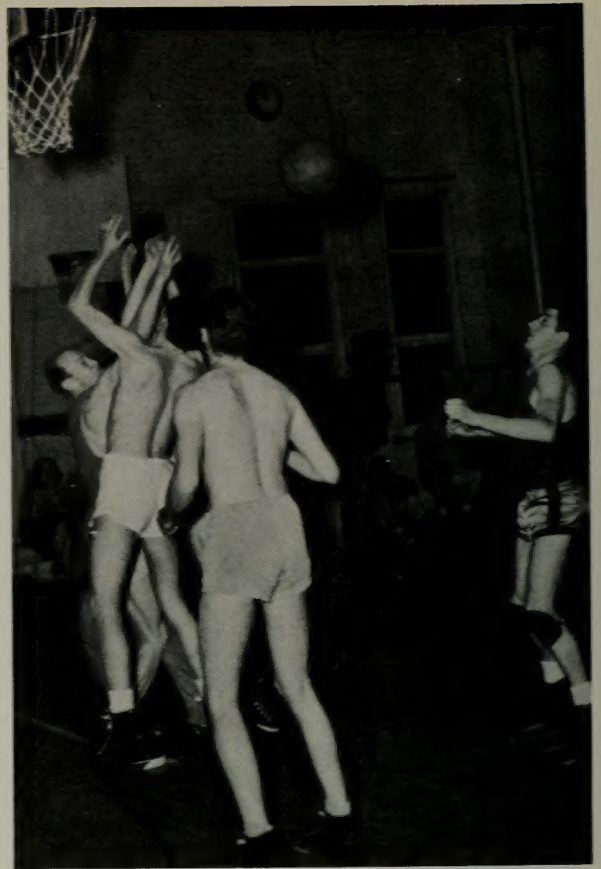

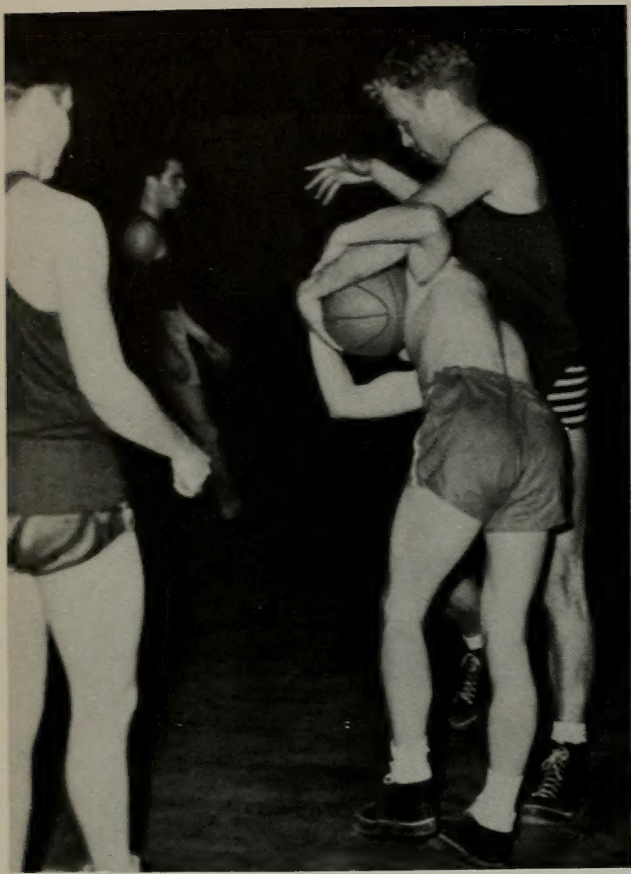

Led by Brady Walker in the weights, Clarence Robinson in the distance events, and Joe Nelson and Lloyd Page in the hurdles, the Millet-coached Y thin-clads were back to defend their Utah track and field crown.

Showing up well in supporting roles to give the Cats a team balanced in every event were Jim Skousen, Byron Young, Randy Clark, and Phil Robinson, to name a few. With several of his starts graduating, Coach Millet will have to depend on first year men who were not able to compete because of the Freshman ruling for his next year's squad.

THE TRACK TEAM . . . Front Row, left to right: Lex Malan, Walter Stephenson, John Williams, Phil Robison, Lloyd Page, Joe Cranmer, Kent Christensen, Pat Wright, Warren Novak, Roger Parkinsen, Randy Clark. Second Row: Floyd Millet, Willard Howard, Farrel Butler, Ron Stewart, Clarence Robinson, Brady Walker, Joe Nelson, Richard Harman, Glen Goodwin, Phil Nelson, Bryon Young, Calvin Sorensen.

Above, left, Viking Leonard Beckman uses the art of hypnotism in this unusual shot. Lloyd Page, eagle-eye forward, closes in. Right, that is Phil Robinson, fleet-footed forward, waiting for the "tip" as the powerful Millard Club displays their hoop wizardry. The California Club tries in vain.

Below is the Bricker football team. In a wild, hard-fought finish the touch-football crown was copped by the Brickers who out-pointed the Brigadiers . . . their domination ended when the Millard County Club basketball team fell victors to the accurate shooting and passing attack of the champs. Intensity of the inter-social unit competition continued when the Val Hyric baseball team returned to the diamond to defend their title.

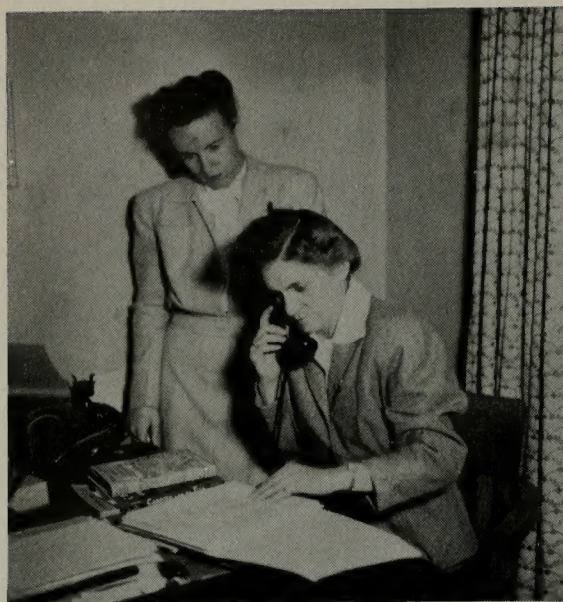

ATHLETIC DESTINY rests with the above Athletic Council members . . . Floyd Millett, basketball coach; Stan Watts, baseball coach; Dr. C. J. Hart; C. L. Jensen; Frank Haymore; Gordon Hawkins, studentbody president; Eddie Kimball, football coach and director of Athletics; and Dr. Ariel S. Ballif, chairman of the Council.

PRESIDENT Howard S. McDonald shows off his victory tie at the Springville gym . . . right, Kimball and Hawkins, clowning. Hawkins wanted a ticket to the U game.

Mary Beth Benson and Leona Holbrook, sponsor of the W. I. C. and head of the women's physical education department, are loved by all the girls working under them. Here they are planning activities for the girls.

to Freddie,
the girl with

I've loved knowing you, cause

Dear Freddie,
 It's been fun
 taking classes
 with you this year.
 It's always a pleasure to think of
 how pleasant & peaceful
 you looked just before
 the bell rang. I have fun
 this summer. (Dorsey
 your your height)
 Jacqueline Redd

Good luck to you
 Always, Freddie
 Fred Paulson

Dear Freddie
Can I help it
if a fit of Hamlet's
melancholia has settled
on me at this precise
moment?

Oh, that this too, too solid flesh
Would melt itself into a dew -
And resolve itself into a dew -
See! Just no originality. Have to
use the unknown writings of some
obscure poet. I like the way we sort of
grew on each other, don't you? I hate
using clichés like "We'll always be friends"
etc. but we will, won't we?
Je n'oublierai jamais cette classe de
français que nous avons pris ensemble
qui était le vrai commencement de
nos amitiés. Je suis heureuse aussi
que vous allez m'écrire des lettres
cet été. I wish I could be the
"inspirer" of whole pages of writing
in yearbooks. You have to
have something to do that

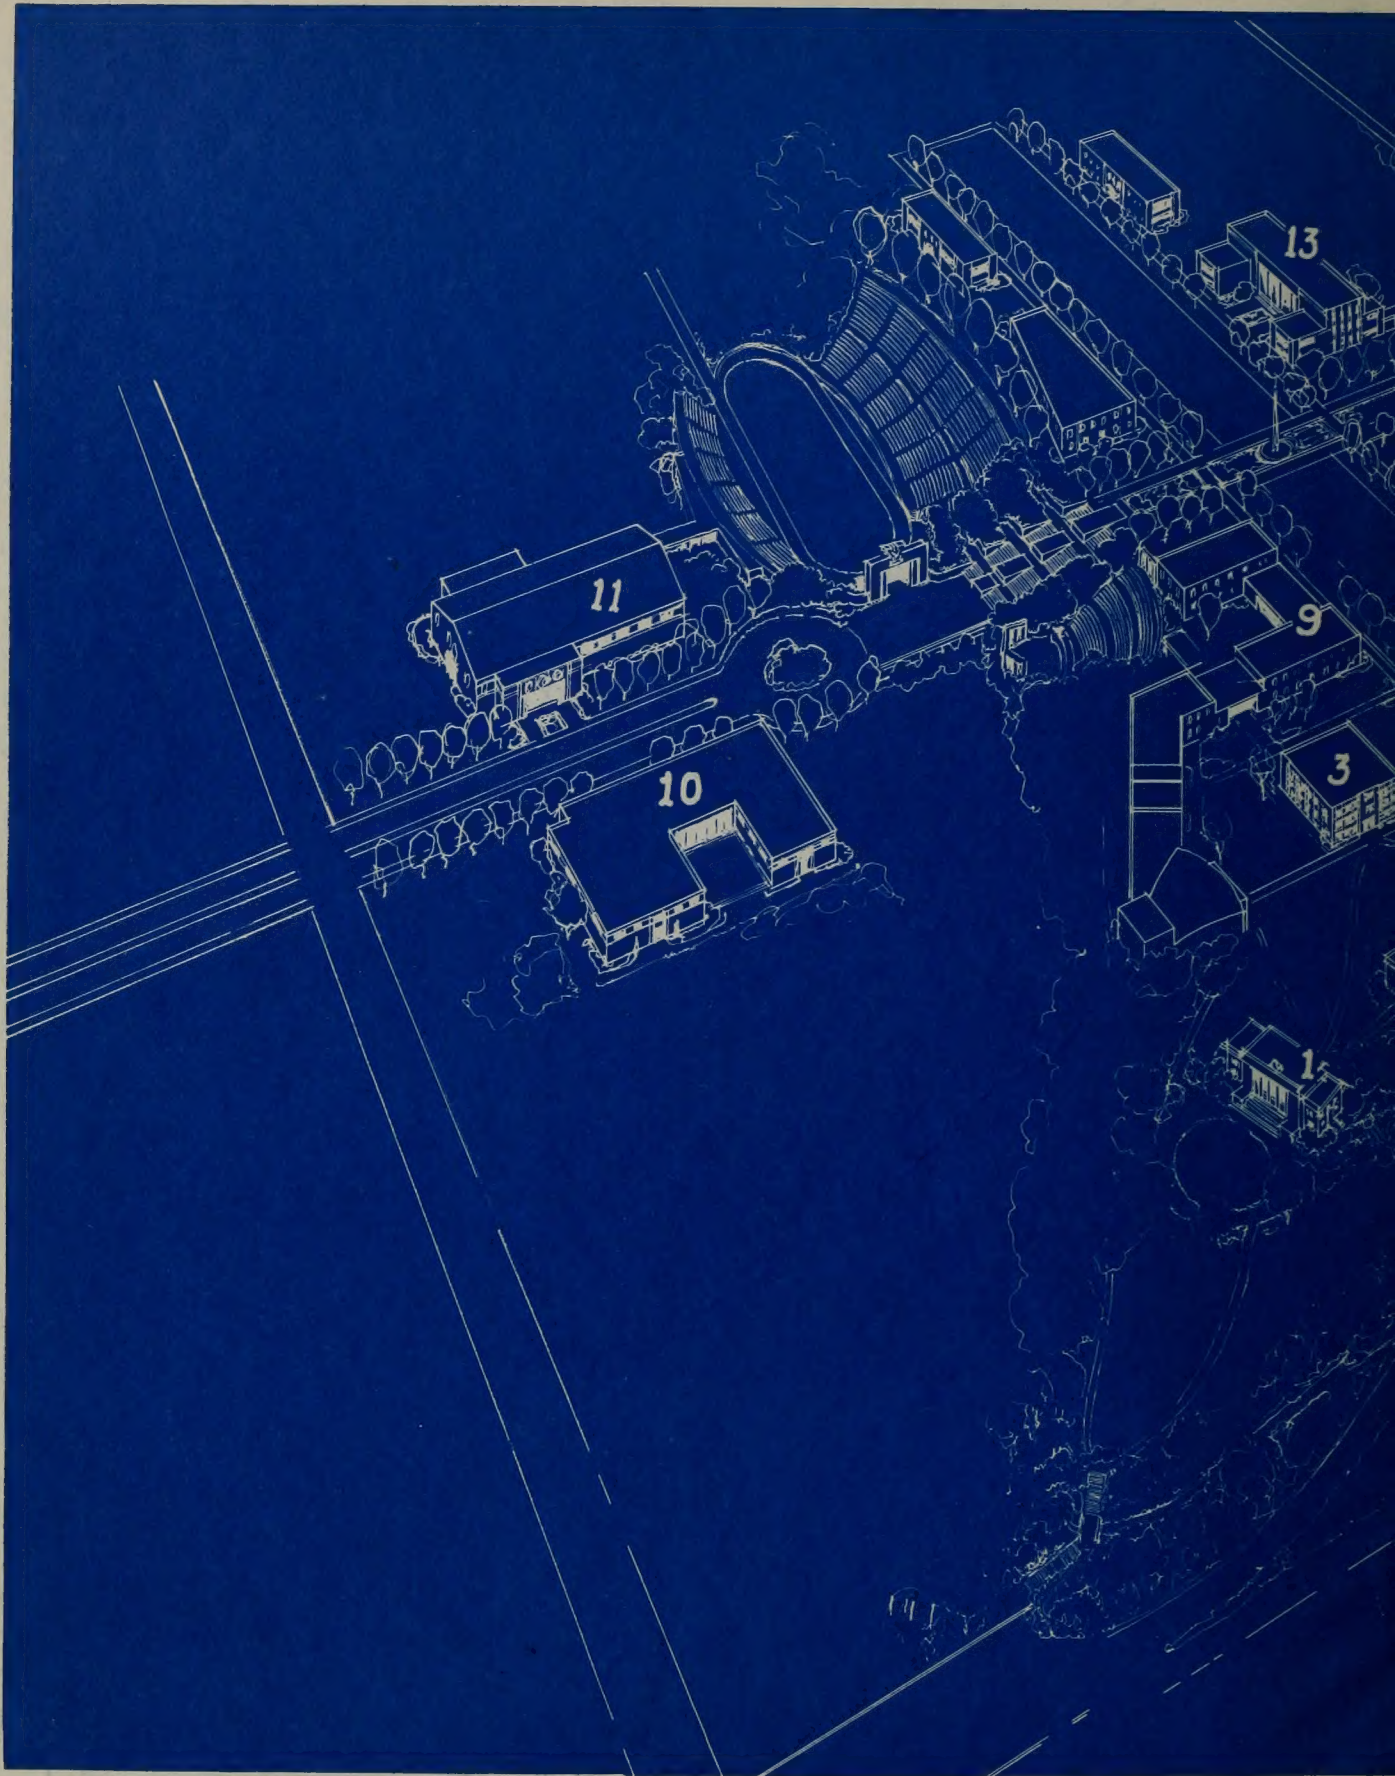

Love
Kathleen

Dear Freddie,

Seeing you occupied the same page in my
yearbook I felt obliged to do the same. Gee, but it
just doesn't seem possible that a year ago you
were talking me in to coming down to the
Y and now I am here and the year has
passed. All the good times we had in
room two, such as our old get together
talks upon retiring to bed (that is when you
went to bed. I will never forget the night
we pulled Joan through the window and
dumped the waste basket over. Also the night
you spit on me from the upper bunk,
boy what a surprise. Yes, all these little
things really mean a lot to me. Of course we
can never forget the things you mentioned
in my book such as our dinner party,
the photography lab, our quart of chocolate syrup,
and the many smart ideas we would get
to write letters to try and trap some man.
Oh, my but our schemes never did seem
to work out, not even when we would
ask them personally to be our secret. The
more I think about it, the more I think that
the best times I have had in my life have
been with you. Working up at the Capitola
and let us remember the ice men (as if we
could forget them), all the dances we used to
ask the ASARP's to and playing spin the
bottle at Helen's party. Well, here I have rattled
on and just recalled the fun and haven't
even told you what a swell friend you are.
We have our ins and outs but before we are
through we are in again. Truly you are a swell
friend for a girl like me, as you will be with
anyone. Have fun at Yellowstone next summer
but be careful of Illinois boys, I'd hate you to
leave me all alone. Best luck and success
in what ever you do and always remember me
as a friend.

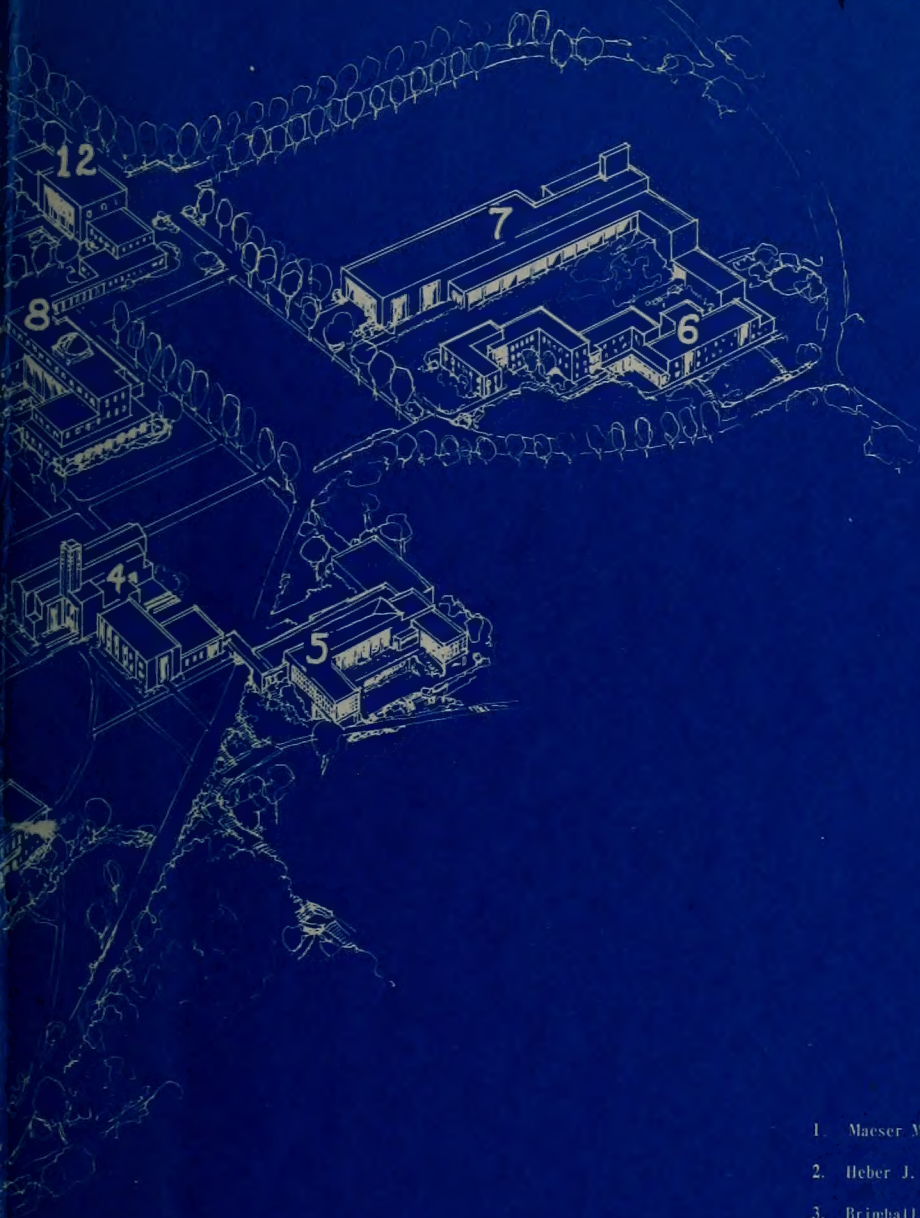

Virginia

P.S. You are also very helpful on
personal surveys. Thanks.

Take a trip

Leslie Coan
